the public (so new I haven't even offered it to my list yet) - Video Skins Template Pack Vol.1 This isn't just another MEGA graphics package I quickly put together with my friends... no way! This is a unique collection of Irresistible Video Skin Templates designed by yours truly that is sure to be an instant best-seller on the web! What's a video skin you ask? You can take a look at the entire package and see everything this graphics package has to offer you and your customers here: This latest creation is soooooo hot off the presses that I don't even have my payment links and legal policies set up yet but I wanted to give warriors first crack to turn this latest creation into their own blockbuster! I plan to market this puppy heavily myself and I'm ultra-confident I can turn this one into a mega-payday. And so can YOU! Once you've taken a look at the entire sales page and graphics - along with all the templates - I know you'll immediately see the value in this offer. Here's what you get when you take advantage and purchase today: - A copy of the exact web page you see on my newest site (A \$300 Value Minimum) - A zip file with all the templates ready to be added to the sales page download area of your website for your customers to download the complete product after they purchase. YUP... I've done that work for you. - The complete set of Video Skin Templates for your personal use (at least a \$37 VALUE) - use them on your blogs and websites for instant BUZZ.
